MAY LESSON THEMES: JOY!

This month we are choosing joy! Joy is more than just being happy and excited when good things happen. Joy is a decision to trust God no matter what is going on in our lives. God has a plan for us. When we celebrate what God is doing, we find true joy!

Our preschoolers will be celebrating because everyone loves a party! Parties bring so much happiness and joy! We will celebrate the Good News of God and how to keep Him at the center of our celebration. God is worthy of celebration because of who He is, what He's done, and how much He loves us.
